

# Mental Health Association

*A Peer Run Organization*

*Do you like to talk to people? Do you like learning new things? If so, you may be interested in a part-time position at the Mental Health Association. MHA, a peer run organization, is seeking someone just like you who may want to be trained as a **SURVEYOR**.*

## **SURVEYOR**

### **WHAT ARE THE DETAILS?**

Surveyors conduct satisfaction surveys in Franklin & Fulton counties. A satisfaction survey is a questionnaire that asks people how satisfied they are with the services they have received during the past year.

- Surveyors work 5-10 hours per week, schedules are flexible;
- Surveyors are paid an hourly wage of \$13 per hour;
- If you use your car on the job you are reimbursed for mileage.

### **HOW DO I QUALIFY?**

- You must have received behavioral health services either as an adult or child or have an immediate family member who received services as a child.
- We conduct background checks. Even though you may have some history with the judicial system in the past that may not disqualify you; talk to us. We look at each person and their history on an individual basis.
- You have to be able to read and write.

### **SPECIAL CONSIDERATIONS**

- If you have a valid driver's license and have your own car- that's a plus!
- If you are bilingual speaking both Spanish and English- that's a plus!
- If you have a college degree- that's a plus!
- If you have prior experience conducting surveys- that's a plus!
